

## Dr. Ming-Jou Lai Memorial Volume.

### CONTENTS

#### 1. Life and activities of Dr. Ming-Jou Lai

Koponen, T.: Ming-Jou Lai (1949–2007), bryologist, lichenologist, ornamental horticulturist and generous benefactor, **Abstract 1**

Gao, C. & Cao, T.: In memory of Dr. Ming-Jou Lai and our fruitful cooperation in bryological research, **Abstract 2**

Li, X.-J. & Zang, M.: In fond memory: a new *Cordyceps* species named after Prof. Dr. Ming-Jou Lai, **Abstract 3**

Reinikka, E.: Annotated bibliography of Dr. Ming-Jou Lai, **Abstract 4**

#### 2. Bryophytes

##### 2.1. Taxonomy, systematics and nomenclature

Bell, N. & Hyvönen, J.: A dendroid form of *Pogonatum cirratum* (Polytrichopsida, Bryophyta) from Mt. Kinabalu (Sabah, Malaysia), **Abstract 5**

Cao, T., Li, X., Zuo, B., Zhang, J. & Guo, S.: *Plaubelia involuta* – a moss genus and species of Pottiaceae new to China, **Abstract 6**

Guo, S.-L., Zhen, Y.-Y., Cao, T. & He, S.: New synonym and record of the genus *Ulotia* D. Mohr (Musci, Orthotrichaceae) in moss flora of China, **Abstract 7**

Ji, M. C. & Enroth, J.: Contributions to *Neckera* (Neckeraceae, Musci) in China, **Abstract 8**

Koponen, T.: Notes on *Philonotis* (Bartramiaceae, Musci). 8. *Philonotis* in William Mitten's "Musci Indiæ orientalis" and key to southeast Asian taxa, **Abstract 9**

Koponen, T.: Notes on *Philonotis* (Bartramiaceae, Musci). 9. *Philonotis lizangii*, species nova, from Yunan Province of China, **Abstract 10**

Linis, V. C. & Tan, B. C.: Eleven new records of Philippine Mosses, **Abstract 11**

Mao, L., Lin, P.-J., He, S. & Zhang, L.: *Syntrichia amphidiacea* (Müll. Hal.) R. H. Zander new to continental Asia from China, **Abstract 12**

Pócs, T.: East African bryophytes, XXVI. New records from the Mayotte (Maore) Island (French Comoro), **Abstract 13**

Wu, P.-C.: Notes of the Chinese *Homaliodendron* (Neckeraceae, Musci), **Abstract 14**

## **2.2. Study on spores of Asian bryophytes**

He, Q. & Zhu, R.-L.: Spore output in 24 Asian bryophytes, **Abstract 15**

## **3. Flora of Hunan Province of China**

### **3.1. Bryophytes**

Ignatova, E. A., Ignatov, M. S. & Koponen, T.: Bryophyte flora of Hunan Province, China. 13. Pterobryaceae (Musci), **Abstract 16**

Koponen, T.: Bryophyte flora of Hunan Province, China. 14. *Philonotis laii*, species nova (Bartramiaceae, Musci), **Abstract 17**

Piippo, S.: Bryophyte flora of Hunan Province, China. 15. Genera *Asterella*, *Fossombronia*, *Isotachis*, *Jubula* and *Metzgeria* (Aytoniaceae, Fossombroniaceae, Balantiopsaceae, Jubulaceae and Metzgeriaceae), **Abstract 18**

### **3.2. Lichens**

Vitikainen, O. & Koponen, T.: Notes on the lichen genus *Peltigera* of Hunan Province, China, **Abstract 19**

## **4. Bryophyte flora of the Huon Peninsula, Papua New Guinea**

Norris, D. H., Koponen, T. & Shevock, J. R. 2010: Bryophyte flora of the Huon Peninsula, Papua New Guinea. LXXII. Spiridentaceae (Musci), **Abstract 20**
